Attached is the proposed letter to the Senate Judiciary Committee relevant to a Bill which would bar the use of polygraph by CIA and other Federal Agencies.

Please review and submit any comments/recommendations for change to Policy and Plans Group by 8 October 1975, so that a consolidated Security position paper can be prepared.

Suggest omitting "used to distinguish truths from untruths" in second paragraph of Page 2 & substituting something like "any instrument used in employee screening also, someone in IB could rework the procedure item beginning "review of the general contents..."
